## COVENANTS AND RESTRICTIONS

### FOR "HAMPTON GLEN SUBDIVISION PHASES 5 AND 6"

#### KNOW ALL MEN BY THESE PRESENTS,

That Whereas, PM OFFICE PARK, LLC, an Illinois Limited Liability Company ("Developer"), is the Owner of the following described real estate, to wit:

Lots 10-28, 126-138, plus OUTLOT J, of Hampton Glen Subdivision Phases 5 and 6  
(See Exhibit A for Legal Description)

NOW THEREFORE, in consideration of the premises and of the benefits accrued and to accrue to the undersigned by reason of the Covenants, Conditions and Restrictions imposed upon said real estate as hereinafter set forth, and as part of a plan for the use, improvement, development, sale and purchase of said real estate, the undersigned do hereby stipulate, agree, and declare that they, their heirs, executors, administrators, successors, and assigns, do hereby subject and bind the aforesaid real estate to the following covenants, conditions, and restrictions, and do hold each and every Lot above described, proportion thereof, for use and sale, subject to the following covenants, conditions, and restrictions and do declare that no Lot or Lots above described, or portion thereof, shall be sold, used, or conveyed by them, their heirs, executors, administrators, successors, or assigns, except subject to the following covenants, conditions, and restrictions, whether expressly stated in the deed of conveyance or not, to wit:

1. **TIME PERIOD AND ENFORCEMENT OF RESTRICTIONS.** These Covenants and Restrictions are to run with the land and shall be binding on all parties, and all persons claiming under them, until July 1, 2032, at which time said Covenants and Restrictions shall be automatically extended for successive periods of 10 years, unless by a vote of all of the Owners of at least 67 percent of the Lots, it is agreed to change said Covenants and Restrictions in whole or in part. These Covenants and Restrictions may be rescinded or amended by the undersigned, in whole or in part, until 80 percent of the Lots referred to above in the subdivision are sold or ten years after the first Lot is sold, whichever comes first. Each Lot shall have one vote to be cast in the aggregate as agreed by and between the owners of the Lot. Thereafter, these Covenants and Restrictions may be rescinded or amended at any time prior to July 1, 2032 or thereafter, by approving vote of all of the Owners of at least 67 percent of the Lots, which shall be effective upon recording of said rescission or amendment, together with an affidavit certifying

said vote by the secretary of the Homeowner's Association herein below established, in the Recorder's office of Madison County, Illinois. Owners of Outlots shall not have the right to vote, by virtue of such Outlot ownership alone, on any of the measures described in this Paragraph 1 or as may be described in any other part of these Covenants and Restrictions; provided, however, if the Owner(s) of an Outlot also own a Lot or Lots, such Lot Owner(s) shall be entitled to cast the same number of votes as provided herein for Owner(s) of a Lot or Lots. Nothing contained herein shall be construed or interpreted to bar a Lot Owner from voting because of such Lot Owner's concurrent ownership of an Outlot. The managers of the Developer will be the Architectural Control Committee for each Lot and Outlot referred to above until an occupancy permit has been issued on such Lot or Outlot; this is not subject to rescission or amendment unless agreed to by the Developer (see item #4). If the parties hereto, or any of them, or their heirs, successors, personal representatives, or assigns shall violate or attempt to violate any of the Covenants and Restrictions, herein, it shall be lawful, and power and authority is hereby given, to any other person or person owning any of the above described real property, or for the Homeowner's Association, without further authority or direction, to enforce, or to prosecute any proceeding at law or in equity to enforce these Covenants and Restrictions, or to prevent any violation thereof, or to recover damages resulting directly or consequentially from such violation, together with expenses, court costs, and attorney's fees incurred in such proceedings. Invalidation of any one of these Covenants or Restrictions, or any portion thereof, by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

2. **LAND USE AND BUILDING TYPE.** No Lot shall be used except for residential purposes. No building shall be erected, altered, placed or permitted to remain on any Lot other than one detached single family dwelling, not to exceed two stories in height, excluding the basement, plus an attached garage.

3. **SIDEWALKS.** The Owner of each Lot shall construct a sidewalk (or sidewalks), on such Lot, when and as required by the City of Troy, at such Lot Owner's expense. If any Lot Owner fails to complete said sidewalk (or sidewalks), and deliver a letter from the City of Troy approving said sidewalk (or sidewalks) within 60 days of demand, then the Homeowner's Association may complete said sidewalk (or sidewalks) and bill the cost thereof to said Lot Owners; if not paid within 30 days, a lien may be filed, which will then attach to said Lot in the same manner as Section 20 below.

The City of Troy requires that all sidewalks be maintained in accordance with the City of Troy then current subdivision control ordinance by, and at the cost of, the homeowner. This obligation shall exist whether the sidewalk is constructed on private property, on the road right-of-way, or partially on each. In the event the homeowner fails to repair or maintain the sidewalks as herein provided; the City may make said repairs and charge the cost thereof to the homeowner, and/or as a lien upon the real estate where said repairs were made. The City of Troy shall have the power and authority to maintain an action to foreclose upon said lien.

4. **BUILDING LOCATION.** No building shall be located on any Lot nearer to any street line than the building lines shown on said plat of the subdivision and in accordance with the ordinances of the City of Troy. No structure shall be located closer than thirty (30) feet from the front of any front lot line, or closer than twelve (12) feet from any side lot line, or closer than thirty (30) feet on any corner side lot line (adjacent to the Street), or closer than twenty-five (25) feet from any rear lot line. However, where more than one lot is used for the construction of one dwelling overlapping the lot lines, the side line restrictions are hereby waived as to the lines between said combined lots, and the combined lots shall thereafter be considered one "lot" for purposes of these Covenants and Restrictions, excepting voting by Lot owners, in which event each one of the combined Lots shall be entitled to the number of votes as set forth in Section 20 hereof. For purposes of the setback requirements herein, eaves, steps and open porches shall not be considered a part of the building, provided however, that this shall not be construed to permit any portion of a building, on a Lot, to encroach upon another Lot.

**TWM or the engineering firm designated by Developer shall be required to set the elevation of each dwelling structure and also to approve the location of the structure prior to digging the foundation. The cost for these services shall be born by the lot owner.**

5. **PLANS AND SPECIFICATIONS.** An Architectural Control Committee is hereby established, which shall initially be comprised of the managers or the appointees of the undersigned PM Office Park LLC. The following documents shall be submitted to the Architectural Control Committee for approval prior to the commencement of any site preparation or construction on any Lot and also to the City of Troy for obtaining proper permits, to wit:

In carrying out their duties hereunder, no member of the Architectural Control Committee shall be held personally liable for negligence or for injury to person or damage to property, or for any other act or omission in the absence of willful and deliberate misconduct. The managers of the developer or its appointees will serve as the Architectural Control Committee until the developer specifies, or the sale of 67% of the lots, whichever comes first. Commencing no later than with the sale of 68% of the lots in the Subdivision, the Homeowners Association herein below described shall elect three members of the Architectural Control Committee. This committee shall have discretion in the approval or disapproval of any lot that has had an occupancy permit issued on it. However, the managers of the developer shall have absolute discretion in the approval or disapproval of any structure in the Subdivision pursuant to these covenants and restrictions on each lot until an occupancy permit has been issued for that lot. At the first such meeting, two members of the Architectural Control Committee shall be elected for one year terms, and one member for a two year term. At subsequent meetings of the Homeowners Association, their successors shall be elected for two year terms, to replace the member or members of the Architectural Control Committee whose term expires. The President of the Homeowners Association shall appoint a replacement member for any member of the Architectural Control Committee who fails to remain in office, until a successor is elected.

Construction shall be considered completed when the Occupancy Permit from the City of Troy is issued. 19. **EASEMENTS.** Easements for installation, construction, reconstruction and maintenance of utilities and drainage facilities are reserved, as shown on the above-mentioned recorded plat of the Subdivision. No building, fence, landscaping or any other structure of any kind shall be placed on, in, or over any such easement; any such building or structure shall be removed at the expense of the Lot owner.

20. **ASSESSMENTS.** Annual dues will be set and assessed and special assessments may be

established or levied against each Lot and its owners for maintenance of street, entrance, parkway and boulevard landscaping; Subdivision fence; berms; entrance, decorative sign posts, parkway and boulevard improvements; drainage facilities and detention basins; easements; common areas and common areas used as green space; Subdivision appurtenances and amenities in the Subdivision for the use of Lot owners; and for any other duties, powers, and responsibilities of the Homeowners Association. In the case of a combined Lot, as described in Section 4 hereof, the owner or owners of each part or component of each Lot that together comprise the combined Lot shall be entitled to one vote. Any unpaid assessments against a Lot shall be the personal obligation of each owner of that Lot at the time of assessment, jointly and severally, and shall also become a lien against that Lot upon filing of a notice thereof in the Recorder's Office of Madison County, Illinois; if such notice is not filed on or before March 1 of the following year, said right to a lien shall expire. Any purchaser, lender, or title company shall have the right to rely upon any statement or assurance by any officer of the Homeowners Association, of the amount or payment status of any such lien.

PM Office Park, LLC shall be entitled to cast one vote for each finished unsold lot that it owns in the subdivision.
